

CIRCULAR

To: All Municipalities and Local Service Districts, Inuit Community
Governments, Consultants, MACE, PMA, MNL
Re: Updates from Municipal Infrastructure
Date: July 10, 2025

This circular is to advise recipients of two updates at the Municipal Infrastructure Division:

1. New Regional Engineer in Labrador Regional Office.

It is my pleasure to announce that Natasha Smith P. Eng, will take over as the Regional Engineer for the Labrador Regional Office, effective Monday, July 14, 2025. Natasha has been with MI Headquarters since fall 2019 and brings a wealth of knowledge and experience to the role.

2. Engagement of Architects for Building Projects

I would like to reiterate the importance of engaging Architects on MI's funded building projects, specifically those of public use. Architects bring a variety of specialized skills to an Owner's consultant team and use these skills to guide an Owner through the complexities of the relevant Building, Fire, and Life Safety Codes. MI's Regional Offices will discuss this topic specifically with Owners as part of the kick-off meeting on funded projects.

If you have any questions, feel free to reach out to your Regional Office.

Central Regional Office
Wilfred Maloney, P. Eng.
Phone: (709) 256-1055
Email: WilfMaloney@gov.nl.ca

Eastern Regional Office
Inayat Rehman, P. Eng.
Phone: (709) 729-5337
