**Re:** Updates to Municipal Water, Sewer and Roads Master Construction Specifications

**Date:** March 8, 2021

---

Please be advised that the division of Municipal Infrastructure of the Department of Transportation and Infrastructure have updated the **Municipal Water, Sewer and Roads Master Construction Specifications**, and will continue to the enforcement of strict adherence to these specifications.

The specification is currently available online at:

<https://www.gov.nl.ca/ti/mi/mwsr/#spec>

All funding recipients are encouraged to remind their Consultants to follow these specifications unless preapproval by the Department has been given to follow another specification manual. If any Funding Recipient and their Consultant would like to temporarily deviate from the specifications for a valid reason, their Municipal Infrastructure Regional Engineer **MUST** be informed in advance, and approve of same, to prevent any project delay or payment processing.

Municipalities requiring clarification are encouraged to contact their Regional Engineer:
