Re: Year-end Claims for Municipal Infrastructure Programs

Date: February 21, 2024

This will serve as a reminder that the date for the receipt of claims for payment of the federal and/or provincial share for all goods, works, and services performed for Municipal Infrastructure Projects up to March 31, 2024 is April 12, 2024.

In order to avoid delays in processing claims for payment, please ensure that all claims are submitted through the Municipal Support Information System (MSIS), and that all supporting documents are also uploaded with the claim.

It is imperative that invoices for all goods, works, and services performed up to March 31, 2024 be received by **April 12, 2024**, as there is no provision in the Department's 2024-2025 budget for these expenditures.

Should you have any questions specifically related to these specifications, feel free to reach out to your local regional office.

Sincerely,

A handwritten signature in black ink that reads "K Kieley".
