## CIRCULAR

TO: Consultants

RE: Request for Supplier Qualifications for Municipal Infrastructure Project Prequalification

DATE: January 28, 2021

---

This circular is to inform consultants that the Municipal Infrastructure Division has issued a Request for Supplier Qualifications (RFSQ) with the intent to prequalify engineering and architectural consultants for work related to funded infrastructure projects. The intent is that the Prequalified Supplier List could be used by funding recipients for consultant engagements meeting certain criteria.

On January 8, 2021, Municipal Infrastructure issued the RFSQ for Municipal Infrastructure Project Prequalification. The RFSQ is available through Merx at [www.merx.com/govnl](http://www.merx.com/govnl) by searching MI12760. Response requirements are outlined in the RFSQ.

If you have any questions regarding the RFSQ, please submit them in writing to the RFSQ Contact.

Sincerely,

A handwritten signature in blue ink that reads "Kieley".

Kim Kieley, P. Eng., FEC  
Director – Municipal Infrastructure  
Transportation and Infrastructure
